Dear Keld,

As requested, please find attached a list of the 1520 flights which crossed the Danish Airspace in the period 1/4/2003 - 31/03/2008 and were paid for by Universal Weather (user: 2795/79).

Unfortunately our data warehouse goes back only 60 months. As previously advised, International Group LLC does not appear in the CRCO system. No flight messages have been received pertaining to this entity and no route charges have been levied thereon.

I hope this information will be useful.

Best regards,

Adriaan
